

Technical sheet

FLEXO200RB

Red/white expanding plastic barrier

Extendable fence barrier up to 2 meters, ideal for quickly marking and securing an area. Made of polypropylene, it's easy to transport and store.

The feet are fitted with castors with brakes which make it very easy to handle. It is possible to join 2 barriers together using the side fixing system. We can also

add an optional solar lamp (FLEXOLAMP) for more visibility

Also available in yellow and black.
