Rolling platform with foldable wheels

Polypropylene and aluminum rolling platform designed for easy transportation of goods. With transport handles. The platform is fully foldable for compact storage. It has a maximum load capacity of 136 kg. Several platforms can be mounted together in order to increase loading capacity.

Customs code	8716800000
EAN	3321367900091

Color : Noir/bleu

Material : Polypropylene

Secondary material : Aluminium

Specifications :

- Rolling platform for easy transportation of goods.
- Transport handles.
- Fully foldable.
- Maximum load capacity of 136kg.
- Several platforms can be added to increase loading capacity.
