## SPEED50/2019

### Modular Speed bump h. 50mm - 1 black + 1 yellow

Customizable modular speed bump for private roads, designed to slow down and secure an area. Sold in sets of 2 elements, one black and one yellow. The 50mm height adjusts the speed to 25/30 km/h. Made of rubber and equipped with a 27mm cable passage and 4 reflectors per element for improved visibility. LED lights can be added. Easily interlocks with inverted dovetail joints and is secured with 4 fixing points. Additional adhesive can be used if necessary. Available in various dimensions.
